

19 February 2018

Dear Parent/Carer

**Y11 Mathematics, English and science revision evening**  
**Tuesday 20<sup>th</sup> February 2018, 5:30pm – 7:30pm**

As you may have seen this summer, Outwood Academy Ormesby achieved the **best ever results in its history, with 55% of students achieving 4+ grades in English and maths**. Last year we had a huge buy in from students and were also helped a great deal by parents who coached students to achieve these outstanding results by supporting them at home.

We would like to invite you to a joint maths, English and science revision evening on **Tuesday 20<sup>th</sup> February 2018**. The evening will consist of a presentation on the work being done during lessons in the approach to their summer exams in 2018 and what tasks will be expected to be completed at home. The format of the evening is as follows:

- 5.30pm – 6.00pm opportunity to speak to maths, English and science teachers about your child.
- 6.00pm - 7.00pm Subject presentation from Mr Turner (maths), Mrs Garbutt (English) and Mr Johnson (Science) with a focus on how to revise.
- 7.00pm onwards – **Hog roast** supper with an opportunity to speak further with subject teachers, representatives from Redcar and Cleveland College, Middlesbrough College, Prior Pursglove and our careers advisors Careers Inc. to give students and parent's careers guidance on the importance of gaining core subjects GCSE qualifications and the implications it can have on your child's future.

Students will also all receive a **FREE 'Revision Bag'** of revision guides, learning mats, stationery and other revision essentials.

A **'Hog Roast'** supper will also be provided free of charge, hoping that will persuade you further to come along!

Your support as always is greatly appreciated and we look forward to meeting you.

Yours sincerely

Mrs Sweeten  
Principal

Mr Turner  
Head of Mathematics

Mrs Garbutt  
Head of English

Mr Johnson  
Head of Science
