

6 February 2020

Dear Parent / Carer,

**Outwood Academy Ormesby
Online e-Payments for School Meals and Other School Purchases.**

As you are aware, Outwood Academy Ormesby is introducing iPayimpact online payments to eliminate the need for your child to carry cash to school. We will be transferring to the new payment system on **24 February 2020**.

Please note that from **Monday 24 February 2020** there will be **no** facilities within school to accept any cash payments. This includes payments for school meals including break time snacks, planners, school uniform including ties and trips. We therefore strongly advise parents to register in the iPayimpact online payment system immediately so any issues can be resolved before the cash payment facilities in the academy cease to operate. Individual log-in details can be found above.

To make purchases from the academy each student has an account. If they are to purchase meals and snacks from the canteen, you will be required to top up this account with money online.

Payment for planners, school uniform including ties and trips will be processed in the same way.

For those students in receipt of Free School Meals, the daily amount will continue to be allocated automatically to your child's account and therefore no action is required, however, if you wish to allow your child to make additional purchases at break times, you can register and make additional payments as and when required.

In order to use the iPayimpact website you will need to register via www.ipayimpact.co.uk. All details can be found on the attached information sheet.

Once registered you will be able to make payments directly into your child's account.

Should you have any queries please do not hesitate to contact the academy.

Yours sincerely,

Mr T. Urwin
Principal
