

July 2023

STEM Competition

Our Academy joined other local schools for a STEM competition at Teesside University. Our students were crowned overall winners, despite stiff competition from other Middlesbrough Schools and they will now represent Teesside in London. Well done to our brilliant scientists !

Local Play-Writer Visit

We were very pleased to welcome Alan Spence to our Academy this month. The local play-writer was here to give out some prizes to our brilliant writers from Years 7 to 9.

These students had won a regional creative writing competition that was led by Middlesbrough Football Club. They had written a poem/song/rap on George Camsell and in the judge's words they really '**loved the humour and the vocabulary**' presented by our students!

Duke of Edinburgh

Students have completed their Duke of Edinburgh training ahead of completing their award in June, we've really proud of the dedication they have all shown. Well done!

We would like to wish all our students a safe and happy summer holiday.

School Trips

Beamish Trip

The English department have taken over 100 Year 7 students to Beamish Open Air Museum this week. They spent the day observing the life of Victorian England, this will help their knowledge and provide them with a greater understanding of the key texts that they will be studying in lessons.

Reminder

Students are reminded not to bring any banned items, or expensive items into school or to wear expensive clothing in September.
