

Monday 17 October 2022

Dear Parents/Carers

I am delighted to invite you and your child to our Year 11 Revision Evening for parents and students at Outwood Academy Ormesby on Thursday 3 November 2022.

The aim of this evening is for you to understand the vital year ahead for your child as they navigate Year 11, the crucial GCSE preparation and examination process, and how they secure a placement in a college or on a training course. Through understanding how we will educate and support your child in school, you will be able to continue to support them in their studies at home and together we can ensure your child achieves the success we all want.

During the evening we plan to cover the importance of attendance, share with you proven revision techniques that will support your child in their learning and share both the key information from the subject areas as well as the support we can offer in school. Following the presentation there will be an opportunity to meet with the Heads of Department to discuss specifics and we will have representatives from the different colleges in our area as well as the Careers Advisory Team who can provide information regarding next steps for your child.

The evening will start at 5:00pm with a welcome from Ms Wilden. A meal and drinks will be available after the presentations and will provide an opportunity to talk with staff. If you would like to join us for the evening please complete the link below, which is a google form so we can order the appropriate amount of food.

We look forward to welcoming you and your child into our school and sharing with you the key information you may need to support your child's studies over the coming year.

Yours sincerely

J. McDonnell
Vice Principal
